### **For vulnerable adults**

We can provide housing support to vulnerable adults aged 16 or over who are homeless or at risk of losing their home. We can help you to find a home, help you to move into a new home, and help you keep your home through various support methods.

### **Finding a new home**

We can help you to

- look at your housing options
- apply for housing
- make decisions about offers of housing • review the benefits you receive.

### **Moving to your new home**

We can help you to

- organise removals
- apply for grants, furniture and decorating materials
- set up gas and electricity
- find a GP, dentist and other local amenities.

### **Keeping your home**

We can help you to

- be safe and secure at home
- budget, manage bills and deal with debt • attend appointments
- live independently.
